

The Power of Small Steps

Hello, February! We are proud to announce that we will have two programs launch this month of love. In Entrepreneurship Program - The Next Generation, we will be providing the youth with detailed steps on how business works by learning in three major departments; Management, Product Design, and Sales and Marketing. We will also equip the youth class 12 and soon-to-be graduates with career planning, CV writing, and interview in First Employ Program. These two programs may be small and simple for some people, but we believe that this can be a stepping stone for our youth to reach their dreams!

Every year, we try to help more youth by involving them in our programs. From one orphanage to five, from 10 youth to 255 youth in 2020, we know now that these programs work and need to be taught in schools because we can see how the youth blossomed!

During this difficult time, we received higher demand to provide services for youth because their schools are still closed. With the business still hurting, we create small fundraising to keep us moving.

GOODIES FOR GOOD

is our new fundraising campaign for Valentine's day. If you have friends or families in Bali and would like to give a sweet surprise for them, we can help you make it happen.

By **only 100K**, you can send a box of sweets for them through us. Not only you will make them happy, but you will also donating to Stella's Child. WAIT! It does not stop there! For one box of sweets purchased, you will give one for our youth too! Simply click **HERE**, fill the form, and the gift will be delivered right to their doorsteps.
